

Swiss Wheely Open 2022

On the weekend from the 28 to the 30 April 2022 the fourth Swiss Wheely Open will be taking place.

The tournament takes place at the Swiss Paraplegic Center in Nottwil, where we find perfect conditions for such an event. The hotel, which is located close to the sport hall of the Swiss Paraplegic Centre, is fully wheelchair accessible.

We prefer national Teams instead of Club Teams. Normally one participant per Nation. If it isn't possible to send the national team, we would also accept a club team from the same country. The Maximum for participating Teams is 10. If we do not have 10 different countries, or an even number of teams, we'll decide whenever we would allow a second team from the same Country or a Club Team.

It will be played according to the international rules with adjustments for wheelchair floorball as we know it from the tournaments in Breda and Prague. We allow maximum two Player on the Field without Handicap. A Player is classified as handicapped, if a consequently regular floorball playing is impossible. <http://www.swisswheelyopen.ch/SWO-2022/Rules-and-Dates/>

We would be very pleased to welcome you at the fourth international Wheelchair Floorball Tournament in Switzerland.
